## Stop The Quarry Lawn Signs

We started our first lawn sign campaign this week. You can pick up a few for yourself and your neighbours at the Town Hall this Thursday. We have Stop the Quarry t-shirts too.

If you can't make the Town Hall, email us at [info@juststopit.ca](mailto:info@juststopit.ca) to get your lawn sign.

**Lawn signs are free!**

## Sign A Petition Against the Blast Quarry

We're circulating a petition to tell our elected leaders that this quarry is **unnneeded, unwanted and dangerous**. Please sign up at the Town Hall on Thursday. Again, if you're not able to attend, contact us at [info@juststopit.ca](mailto:info@juststopit.ca) and we'll get a copy to you to sign.

## How To Stop A Blast Quarry

We need more people to help. Lots of people, to lean in - to plant lawn signs, distribute leaflets, circulate petitions, write letters of objection, build our website, expand our media presence, organize fund raisers - and lots of other things too.

Don't be quiet. Don't believe anyone who tells you this is a done deal. The only certainty is that if we do nothing, we will be left with nothing. Our community as we know it will be devastated.

To let us know that you would like to help, contact us as soon as you can:
